RODNEY TERICH LEONARD

## On Four Seasons Hotel Stationery: New York Downtown

Please dust everything above & below the TV.  
Everything wood—  
Banquette, Beds, Blinds.  
It's Thursday, deep clean everywhere.  
Both living rooms. The Bathrooms.  
The Kitchen & Bedrooms.  
The Floors & Crevices. Water the Piano  
& Do the Laundry:  
Clothes, Sheets, Towels.  
Noreen—  
I shouldn't have to tell you  
That Vlad's & Primo's water bowls smell rearish  
Like mouth.  
Sniff them & wash thoroughly with vinegar!  
This is important:  
Please mind Richard's wig stands; last week one was toppled.  
XOXO—You're always needed.
